THIS WRIT PETITION (CIVIL) HAVING BEEN FINALLY HEARD ON
7.12.2023, ALONG WITH WP(C).23064/2019 AND CONNECTED CASES, THE
COURT ON 22/12/2023 DELIVERED THE FOLLOWING:

-:13:-

J U D G M E N T

A. Muhamed Mustaque, J.

This bunch of writ petitions raise a common challenge as to a government order to proceed against the land held by the petitioners, to cancel the patta issued to them. We are not referring to individual cases in these matters for the reason that we are not entering into any finding of facts relatable to individual holders of the land.

2. In the Western Ghats covering Munnar, Chinnakkanal, Pallivasal villages, etc, it has come to the notice of the Government that there has been large scale of encroachment in Government land, creation of bogus patta to grab Government land and also instances of obtaining patta illegally in collusion with the revenue officials. This resulted in the Government conducting enquiry and, by government order, dated 31/5/2019, it was ordered that the enquiry should be conducted by the Sub Collector of Devikulam, to declare that patta obtained by the

-:14:-

petitioners or their predecessors-in-interest, is illegal and void.

3. The learned counsel for the petitioners submits that some of them purchased the property after verifying genuineness of the certificate issued by revenue authority. It is further argued that transfer of registry was effected in their favour and this Court in several litigations ordered to effect transfer of registry based on sale deed and, therefore, the Government is estopped from reopening all concluded proceedings. It is further contended that the Government prejudged the matter and already entered into a finding by concluding that patta obtained by the respective petitioners is bogus, and fabricated illegally.

4. The Government holds the land as a public trustee. The land belongs to the State. In regard to the authority of the Government to issue patta in respect of the Government land, it is covered by the Kerala Government Land Assignment Act and Rules. That means, the Government cannot assign the land without observing the statutory provisions. If any land is held in

--:15:--

possession of the holder without following the procedures contemplated under the Land Assignment Act and Rules, nothing prevents the Government from examining the matter to find out the legality of the land held by such holder of the land, as the Government is accountable to the State. Transfer of Registry is only for fiscal purposes. There are no concluded proceedings before this Court to hold that this Court had entered into a finding as to the validity of the patta issued to the holders of the land. No doubt, the Government cannot enter into findings of fact without conducting a full-fledged enquiry. The observations in the orders of the Government only can be taken to the reasons for ordering enquiry and it cannot be taken as a finding of fact. The reasons for ordering enquiry cannot itself operate as a finding of fact to be concluded in the enquiry. We are, therefore, of the view that no interference is warranted in the matter. The competent authority shall conclude the entire proceedings with notice to the petitioners uninfluenced by the observation in the government order, within a period of 3 months

after notice to the petitioners or any other interested persons.
Further order of the government to take criminal action shall be
put on hold till the proceedings are completed regarding
cancellation of patta.

The writ petitions are disposed of as above.
