1. Heard Sri Deepak Kumar, learned counsel for petitioner as well as Sri S.B. Pandey, learned Deputy Solicitor General of India, on behalf of Union of India and learned Standing Counsel on behalf of respondent Nos. 2 & 3.

2. It has been submitted by learned counsel for petitioner that petitioner had applied for issuance of a passport on 20.01.2022 under Section 5 of Indian Passport Act and on receipt of the said application a report was called for from the Superintendent of Police, Sultanpur. It was submitted that two criminal cases are pending against the petitioner being Criminal Case Crime No. 164 of 2018 U/S 323, 504, 506 I.P.C. and Criminal Case Crime No. 585 of 2021, U/S 323, 504, 506, 427, 336 I.P.C., P.S. Kadipur, District Sultanpur. He further submits that merely on account of the said cases, no decision has been taken by the passport authority under Section 5 of the Indian Passport Act and accordingly in the present writ petition a prayer has been made for a direction to respondent No. 4 to take a decision on the application of the petitioner for issuance of a passport.

3. Sri S.B. Pandey, learned Dy. Solicitor General of India has opposed the writ petition and submitted that respondent No. 4 is not obliged to take any decision and the petitioner should apply to the court of competent jurisdiction where the criminal cases are pending for obtaining a passport.

4. We have given thoughtful consideration to the submission. The manner of dealing with an application for issuance of passport has been dealt with in Sections 5 & 6 of the Indian Passport Act. Under the Indian Passport Act, the application for grant of passport can be rejected on any of the conditions as prescribed under Sections 5 & 6 of the said Act which is quoted hereinbelow:-

5. The scheme of the Act clearly demonstrate that the application for issuance of passport has to be considered and decided by the passport authority as per Section 5(2) of the Act of 1967, and there is further provision of an appeal against order passed under Section 5(2) of the Act of 1967 is provided under Section 11 of the Act of 1967.

6. In the present case, there is no dispute with regard to the fact that respondent No. 4 has not taken any decision on the application preferred by the petitioner as required under Section 5 of Indian Passport Act. This Court is of the considered view that the competent authority under the Indian Passport Act is under a mandate to take a decision as per Sections 5. If he is of the opinion that it is a fit case for grant of a passport, he may pass an appropriate order for issuance of the passport and in case he feels that conditions exists for refusal for grant of the passport he may pass an appropriate order considering grounds of Section 6 of Indian Passport Act.

7. There is no mention in the writ petition of the fact that the petitioner plans to go abroad in which case he would undoubtedly have to apply to the court of competent

jurisdiction where the criminal cases are pending to seek such a permission. This Court is of the considered view that no prior permission from the competent court is required where the criminal cases are pending for issue of passport under the Indian Passport Act and no such provision has been envisaged in the said Act.

8. Sri S.B. Pandey, learned Dy. Solicitor General of India has also relied upon the circular dated 10.10.2019 where again in paragraph 5 Sub- Clause (i), it has clearly been stated that the passport authority shall take a decision in writing to issue or refuse a passport after making such inquiry. The said circular has correctly interpreted the provisions of Section 5 & 6 of Indian Passport Act and even the said circular does not anywhere provide that any permission of court of competent jurisdiction is required before grant of the said passport and accordingly the objections raised by Dy. Solicitor General of India in this regard is rejected. Once an application is made for grant of a passport then the authority has to take a decision in terms of statutory provisions under the Indian Passport Act and accordingly a case for interference is made out.

9. Accordingly, the respondent No. 4 is directed to consider and decide the application preferred by the petitioner dated 20.01.2022 in accordance with the law expeditiously, say, within a period of four weeks from the date a certified copy of this order is produced before him.

10. In light of the aforesaid observations / directions, the writ petition stands **allowed**.
