# ABOUT ADRC

The Alternative Dispute Resolution Committee (ADRC) was constituted as an extended arm of the Academic Committee to promote interest in ADR methods given its current relevance to the legal profession. The Committee was established in 2016 as an initiative to develop a culture of ADR in ILNU that enables skill-development and helps us compete at the national and international level. The Committee is particularly oriented to ensure professional competence among the budding lawyers, inculcating Negotiation and Mediation skills. In pursuance of the same, the committee focuses on conducting various workshops, seminars and mentorship programs for promoting ADR skills in all the students.

# 2<sup>nd</sup> ILNU-IMC, 2022

2nd International Mediation Competition (IMC) is a step taken by Institute of Law, Nirma University towards acting as facilitator in increasing the ADR Culture among aspiring lawyers. The competition seeks to provide a prodigious experience which will amplify the interests of young minds in this niche practice of law. The competition will help students brainstorm probable solutions for a near to reality challenge while providing them the comfort of choosing their roles as per their preferences. It therefore tries to break the monotony of theory-based learning and helps the students put their knowledge and skills to use.
