01. The petitioner as well as respondent No. 6, who are Senior Officers serving in the Indian Air Force, have requested that their names be not reflected in the cause title of this order. Accordingly, the petitioner and

respondent No. 6 shall be reflected as Mr. “X” and Ms “Y” respectively in this order.

02. The petitioner has filed the present petition for quashing the FIR No. 0036/2021 dated 11.02.2021 registered with the Police Station, Satwari for commission of offence under section 354-A IPC, at the instance of respondent No. 6.

03. During the pendency of this petition, both the contesting parties i.e. petitioner and respondent No. 6 have entered into a compromise.

04. The petitioner has issued a communication to the respondent No. 6 and the same has been accepted by her. The statements of contesting parties have been recorded. In her statement, the respondent No. 6 has stated that she has accepted the communication issued by the petitioner to her. She has further stated that she has no objection, if the FIR impugned is quashed by this Court.

05. The petitioner too has stated that he will remain bound by the said communication and the dispute between the contesting parties has been settled. He has further stated that matter will never be publicised or put on social media by him.

06. In view of the settlement arrived at between the parties, this Court is of the considered view that continuation of investigation in the impugned FIR shall not serve any purpose and rather would be an exercise in futility.
